

ANCILLA COLLEGE

BUSINESS ADMINISTRATION

ASSOCIATE OF SCIENCE

Why should I consider an associate degree in Business Administration?

Our capitalistic economic system best rewards those who can identify and respond to the needs of consumers both domestically and internationally. Globalism has intensified the requirement that both human and natural resources be utilized effectively and efficiently.

In Ancilla's business program, you'll gain powerful business skills and a fundamental understanding of the principles underlying contemporary business practice. You'll acquire a framework for analyzing any business problem you might encounter and the leadership skills you need to implement the right solutions in a moral and ethical manner.

Additionally, Ancilla will provide you with the educational understanding of computers, the sciences and humanities so you can be included among those who are truly educated.

"In business, I loved cars. I couldn't wait to get to work in the morning. Only in America can you decide to get a good education and pursue what you like."

-- Lee Lacocca

What can I do with a Business Administration associate degree?

Students with concentrations in Business are prepared to contribute in either not-for-profit or profit oriented organizations as either entrepreneurs, managers or skilled professionals. All firms need educated people with leadership ability and an understanding of finance, marketing, and production.

Effective Date: Spring 2009
